**REQUEST FOR RECONSIDERATION OF PETITION FOR WITHDRAWAL OF  
HOLDING OF ABANDONMENT**

Mail Stop PCT  
Commissioner for Patents  
Office of PCT Legal Administration  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Petitioner respectfully request reconsideration of the Petition for Withdrawal of Holding of Abandonment, filed on April 1, 2008, and April 17, 2008, and the Supplemental Filing in Support of Petition for Withdrawal of Holding of Abandonment, filed August 25, 2008. (Exhibits 1 and 2)

In response to the NOTIFICATION OF ABANDONMENT dated March 27, 2008, Applicants submitted a Petition on April 1, 2008, requesting that the Notification of Abandonment be withdrawn and that prosecution for the application be reopened. After checking Private PAIR, and with the Office of Petitions on April 17, 2008, Applicants discovered that this petition was lost, and resubmitted the petition (with the fax transaction report) on April 17, 2008.

On August 18, 2008, Applicant inquired as to the status of the Petition with the office of petitions and was informed that the Petition had been transferred to the Office of PCT Legal Administration.

On August 25, 2008, Applicant submitted the mail log for the two-week period following the alleged mailing of the Notification of Missing Requirements on March 26, 2007, as requested by Examiner Kidwell. The mail log showed that in the two weeks following March 27, 2007, Applicant's docketing department did not receive a Notification of Missing Requirements for the above referenced patent application (073678-0026).

On September 2, 2008, the Patent Office dismissed the Petition without prejudice finding that Applicants had (1) provided a statement that the Office Action was not received, and (2) a statement that the file jacket and docket had been reviewed and both indicated the Office Action had not been received. The PTO found that the third requirement, a copy of the docket record where the non-received Notification of Missing Requirements would have been entered was not received.

#### **Request for Reconsideration of Petition for Withdrawal of Holding of Abandonment**

As discussed in the Petition for Withdrawal of Holding of Abandonment, the individual docket record shows that the Notification of Missing Requirements was not received. Petitioner also submitted corroborating evidence of the nonreceipt of the Notification of Missing Requirements in the mail log that shows all PTO mail received at the correspondence address for the two-week period following March 26, 2007. The mail log of PTO correspondence shows that the Notification of Missing Requirements for the above referenced case was not received at the correspondence address in the two-week period following March 26, 2007.

In addition, the following evidence corroborates the nonreceipt of the Notification of Missing Requirements by Applicants:

- Applicant's status inquiry into the above referenced application on Private Pair in August 2007. (*See Decl. of Patricia Balero.*)

- Applicant's paper status inquiry to the Patent Office on February 28, 2008. (*See* Petition for Withdrawal of Holding of Abandonment, Exhibit 3.)
- Applicant's submission of an IDS on May 22, 2008. (*Id.*)
- Applicant's submission of an IDS on November 2, 2007. (*Id.*)

Applicants inquired into the status of the above referenced application in August 2007 and February 2008 because they were awaiting the first action from the Patent Office. Applicants submitted the two IDS's into the case because they believed prosecution to be open and were awaiting the first action from the Patent Office.

When USPTO correspondence is received at the correspondence address, the following procedures are undertaken to log and docket that correspondence: a docketing clerk opens the USPTO mail in the morning, date stamps it, and enters it into the mail log identifying the date, the sender, the type of correspondence, the client-matter number, the recipient, and the method by which the correspondence was sent. (*See* Suppl. Filing Supp. Pet. Withdraw. Hold. Aband., Exhibit 1.) The date stamped USPTO correspondence is given to another clerk who enters it into the docketing software (CPI). As identified in the docket report for the above referenced application, the correspondence is identified by client number, client name, application number, filing date, parent date, parent number, and title of application. (*See* Pet. Withdraw. Hold. Aband., Exhibit 2.) Any correspondence with hard deadlines (such as Office Actions and Notification of Missing Requirements) are given to another docketing clerk who verifies that the due dates have been properly entered into CPI.

Petitioner submits that the original Petition for Withdrawal of Holding of Abandonment had sufficient evidentiary support to be granted and so requests in this request for reconsideration.

**Conclusion**

Petitioner submits that Applicants did not receive the Notification of Missing Requirements, and as such, the Petitioner respectfully request that the Notification of Abandonment be withdrawn.

The Commissioner is hereby authorized to charge Deposit Account No. 502203 the amount necessary to cover any fee in connection with this filing and the associated Petition.

Respectfully submitted,

Mail Stop PCT  
Commissioner for Patents  
Office of PCT Legal Administration  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Petitioner respectfully renews the Petition for Withdrawal of Holding of Abandonment, filed on April 1, 2008, and April 17, 2008, and the Supplemental Filing in Support of Petition for Withdrawal of Holding of Abandonment, filed August 25, 2008. (Exhibits A and B)

If the Patent Office denies or dismisses this Renewed Petition for Withdrawal of Abandonment, and the Request for Reconsideration (filed separately herewith), Petitioner respectfully requests in the alternative that the Patent Office revive the above referenced application for unintentional abandonment.

## **Statement of Facts**

In response to the NOTIFICATION OF ABANDONMENT dated March 27, 2008, Applicants submitted a Petition on April 1, 2008, requesting that the Notification of Abandonment be withdrawn and that prosecution for the application be reopened. After checking Private PAIR, and with the Office of Petitions on April 17, 2008, Applicants discovered that this petition was lost, and resubmitted the petition (with the fax transaction report) on April 17, 2008.

On August 18, 2008, Applicant inquired as to the status of the Petition with the office of petitions and was informed that the Petition had been transferred to the Office of PCT Legal Administration.

On August 25, 2008, Applicant submitted the mail log for the two-week period following the alleged mailing of the Notification of Missing Requirements on March 26, 2007, as requested by Examiner Kidwell. The mail log showed that in the two weeks following March 27, 2007, Applicant's docketing department did not receive a Notification of Missing Requirements for the above referenced patent application (073678-0026).

On September 2, 2008, the Patent Office dismissed the Petition without prejudice finding that Applicants had (1) provided a statement that the Notification of Missing Requirements was not received, and (2) a statement that the file jacket and docket had been reviewed and both indicated the Notification of Missing Requirements had not been received. The PTO found that the third requirement, a copy of the docket record where the non-received Notification of Missing Requirements would have been entered was not received.

By the present petition, Petitioner renews the Petition for Withdrawal of Holding of Abandonment, or in the alternative to Revive the Application for Unavoidable Abandonment. In support of the renewed petition, Petitioner submits additional evidence showing that the Notice of Missing Requirements was not received. Petitioner submits with this petition: (1) a master

docket report showing all the docketed due dates for all USPTO replies received at the correspondence address during the time period March 26, 2007 to June 26, 2007; and (2) the mail log for all received USPTO mail at the correspondence address for the above reference application covering the dates March 26, 2007 to June 26, 2007. (Exhibits C and D)

**Renewal of Petition for Withdrawal of Holding of Abandonment**

As discussed in the Petition for Withdrawal of Holding of Abandonment, the individual docket record shows that the Notification of Missing Requirements was not received. Petitioner also submitted corroborating evidence of the nonreceipt of the Notification of Missing Requirements by submitting the mail log which showed all PTO mail received at the correspondence address for the two-week period following March 26, 2007. The mail log of PTO correspondence shows that the Notification of Missing Requirements for the above referenced case was not received at the correspondence address in the two-week period following March 26, 2007.

In addition, the following evidence corroborates the nonreceipt of the Notification of Missing Requirements by Applicants:

- Applicant's status inquiry into the above referenced application on Private PAIR in August 2007. (*See* Decl. of Patricia Balero.)
- Applicant's paper status inquiry to the Patent Office on February 28, 2008. (*See* Petition for Withdrawal of Holding of Abandonment, Exhibit C.)
- Applicant's submission of an IDS on May 22, 2008. (*Id.*)
- Applicant's submission of an IDS on November 2, 2007. (*Id.*)

Applicants twice inquired into the status of the above referenced application August 2007 and February 2008 because they were awaiting the first action from the Patent Office. Applicants

submitted the two IDS's into the case because they believed prosecution to be open and were awaiting the first action from the Patent Office.

When USPTO correspondence is received at the correspondence address, the following procedures are undertaken to log and docket that correspondence: a docketing clerk opens the USPTO mail in the morning, date stamps it, and enters it into the mail log identifying the date, the sender, the type of correspondence, the client-matter number, the recipient, and the method by which the correspondence was sent. (*See* Suppl. Filing Supp. Pet. Withdraw. Hold. Aband., Exhibit A.) The date stamped USPTO correspondence is given to another clerk who enters it into the docketing software (CPI). As identified in the docket report for the above referenced application, the correspondence is identified by client number, client name, application number, filing date, parent date, parent number, and title of application. (*See* Pet. Withdraw. Hold. Aband., Exhibit B.) Any correspondence with hard deadlines (such as office actions and notices of missing parts) are given to another docketing clerk who verifies that the due dates have been properly entered into CPI.

As further evidence of the nonreceipt of the Notification of Missing Requirements, Petitioner submits herewith the master docket report for all USPTO correspondence received at the correspondence address for the time period March 26, 2007 to June 26, 2007, and the mail log of all PTO correspondence at the correspondence address of the above referenced case for the time period March 26, 2007 to June 26, 2007. The master docket report and the mail log show that in this three month period, the Notification of Missing Requirements was not received and docketed at the correspondence address for the above referenced case. (Exhibits C and D.)

Petitioner submits that the evidence submitted with Petition for Withdrawal of Holding of Abandonment combined with the above described evidence of the renewed Petition for

Withdrawal of Abandonment establishes that Petitioner did not received the Notification of Missing Requirements, and requests that the renewed petition be granted.

**Renewal of Petition to Revive for Unavoidable Abandonment**

Applicant also respectfully renews its petition that, in the alternative to withdrawing the finding of abandonment, the Patent Office revive this application for unavoidable abandonment under 37 C.F.R. §1.137(a). As noted in the facts set-out in the original petition, and by the mail-log submitted herewith, the abandonment of this application was unavoidable because the Notification of Missing Requirements was not received at the correspondence address, and Applicant inquired into the status of the application on Private PAIR.

Applicant also submits herewith the Sequence Listing that Petitioner understands was the subject of the Notification of Missing Requirements (Applicant has still not received this Notification of Missing Requirements but believe this Response complies with that Notice).

The Commissioner is hereby authorized to charge Deposit Account No. 502203 the amount necessary to cover the petition fee set forth in 37 C.F.R. § 1.17(l), and any other fee in connection with the Petition to Revive for unavoidable abandonment.

**Petition to Revive for Unintentional Abandonment**

If the Patent Office denies or dismisses the Request for Reconsideration (filed separately herewith) and the Renewed Petition for Withdrawal of Abandonment, Petitioner then requests that the Patent Office revive the above referenced application for unintentional abandonment. As set out in the facts described above, the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. § 1.137(b) was unintentional.

Enclosed herewith is the Sequence Listing Applicant also submits herewith the Sequence Listing that Petitioner understands was the subject of the Notification of Missing Requirements

(Applicant has still not received this Notification of Missing Requirements but believe this Response complies with that Notice).

The Commissioner is hereby authorized to charge Deposit Account No. 502203 the amount necessary to cover the petition fee set forth in 37 C.F.R. § 1.17(m), and any other fee in connection with the Petition to Revive for unintentional abandonment.

## **Conclusion**

Petitioner submits that Applicants did not receive the Notification of Missing Requirements, and as such, the Petitioner respectfully request that the Notification of Abandonment be withdrawn, or in the alternative that the above referenced application be revived for unavoidable abandonment.

If the Patent Office denies or dismisses the Petition for Withdrawal of Abandonment, Petitioner respectfully requests that the Patent Office revive the above referenced application for unintentional abandonment.

The Commissioner is hereby authorized to charge Deposit Account No. 502203 the amount necessary to cover any fee in connection with this filing and the associated Petition.

**PETITION FOR WITHDRAWAL OF HOLDING OF ABANDONMENT**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the NOTIFICATION OF ABANDONMENT dated March 27, 2008, Applicants hereby request that the Notification of Abandonment be withdrawn and that prosecution for the application be reopened. (See Manual of Patent Examination Procedure § 711.04(c) (2007).) Although Applicants believe that no fee is necessary, the Commissioner is authorized to charge Deposit Account No. 502203 in the amount of \$130.00 to cover the Petition fee.

The Patent Office issued the Notification of Abandonment on the grounds that the Applicants had failed to respond to a Notification of Missing Requirements within the statutory period of two (2) months from the mailing date of March 26, 2007. (See Notification of Abandonment, Exhibit 1.)

**Serial No.: 10/585,149**

The Applicants' attorney has conducted a search of the internal docket for this application and has found no record that the Notification of Missing Requirements was received from the Patent Office. (*See* Remarks, Internal Record from Docket No. 073678-0026, Exhibit 2.) Moreover, the Patent Office's records available through the Patent Application Information Retrieval (PAIR) system corroborate counsel's internal record. (*See* PAIR Record for Application No. 10/585,149, Exhibit 3.) The PAIR record does not show a Notification of Missing Requirements in March 2007, or thereafter. Further, the PAIR record indicates that, since March 2007, the Applicant has made several filings with the Patent Office, including two Information Disclosure Statements, one on May 22, 2007 and another on November 2, 2007, and a Request for Status of Application on February 28, 2008. The Applicants' subsequent submissions and request are additional proof that the Applicants never received the Notification of Missing Requirements and never intended to abandon the application.

The Applicants submit that they did not receive the Notification of Missing Requirements, and as such, the Applicants respectfully request that the Notification of Abandonment be withdrawn and that the fee for this Petition be waived.

Respectfully submitted,

**SUPPLEMENTAL FILING IN SUPPORT OF PETITION FOR WITHDRAWAL OF  
HOLDING OF ABANDONMENT**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In support of the Petition for Withdrawal of Holding of Abandonment, Applicant respectfully submits the docketing mail log for the dates March 27, 2007 to April 10, 2007.

(Exhibit 1)

In response to the NOTIFICATION OF ABANDONMENT dated March 27, 2008, Applicants submitted a Petition on April 1, 2008, requesting that the Notification of Abandonment be withdrawn and that prosecution for the application be reopened. The mail log has been redacted to remove confidential information for communications related to Applicant's clients, however, all the entries for communications received from the USPTO were not redacted.

The attached mail log shows that in the two weeks following March 27, 2007, Applicant's docketing department did not receive a Notice to File Missing Parts for the above referenced patent application (073678-0026). During this time period, Applicant's docketing department received two Notice to File Missing Parts but these Notices were for other cases. Both of these Notices are attached for the Examiner's convenience. (Exhibits 2 and 3).

By this Supplemental Filing, Applicant also respectfully requests that, in the alternative to withdrawing the finding of abandonment, the Patent Office revive this application for unavoidable abandonment under 37 C.F.R. §1.137(a). As noted in the facts set-out in the original petition, and supported by the mail-log submitted herewith, the abandonment of this application was unavoidable because Applicant's docketing department did not receive the Notice to File Missing Requirement, and Applicant inquired to the status of the application on Private Pair. Applicant learned of the abandonment of this application after the submission of a paper Status Inquiry and promptly filed the Petition for Withdrawal of Holding of Abandonment after receiving the Notice of Abandonment. Applicant also submits with this Supplemental Filing the Sequence Listing that Applicant understands was the subject of the Notice of Missing Requirements (Applicant has still not received this Notice of Missing Requirements but believe this Response complies with that Notice).

The Applicants submit that they did not receive the Notification of Missing Requirements, and as such, the Applicants respectfully request that the Notification of Abandonment be withdrawn, or in the alternative that the above referenced application be revived for unavoidable abandonment.

The Commissioner is hereby authorized to charge Deposit Account No. 502203 the amount necessary to cover any fee in connection with this filing and the associated Petition.

Respectfully submitted,

McDERMOTT WILL & EMERY LLP
